

Join Libsyn at PodStock—The Podcasting Conference

PITTSBURGH, June 9, 2022 – Today, [Liberated Syndication Inc.](#) (“Libsyn”), the leading ‘Podcasting As A Service’ platform, announced its presence at [PodStock—The Podcasting Conference](#). The Company’s Vice President of Content and Partnerships and Podcast Hall of Fame inductee Rob Greenlee will give the keynote presentation at the event on Saturday, June 11th at 12:40 p.m., delving into how “Podcasting is All About Building Trust.”

The keynote will highlight how effective podcasting creates an intimate experience where the audience is invited into the podcaster’s inner circle – and cultivating trust is a natural byproduct. Greenlee will also draw on his success, creating a radio show that offered open discussion, humor, and informational value and then subsequently building a podcast that now boasts over a million listeners per episode on syndication, streaming, and download distribution globally.

PodStock is a new initiative from the NPC Podcast Network and parent company New Pod City. For more information about the one-day event in Trenton, New Jersey, please visit www.podstock.us.
