

Libsyn to Transition Alice Registry Customers to Pair

PITTSBURGH, July 14, 2022 – With the discontinuation of Alice’s Registry services, [Liberated Syndication Inc.](#) (“Libsyn”), the leading ‘Podcasting As A Service’ platform, today announced that Libsyn’s [Pair Domains](#) will set up new customer accounts for existing Alice’s Registry customers.

Pair is Libsyn’s leading domains and web hosting platform. For more than 20 years, Pair has been providing domains, hosting, and other key business services to thousands of customers worldwide – so Alice’s Registry customers can trust that their domains are safe with Pair. Additionally, domains from Pair offer some of the best features available today and include:

- Free Domain Privacy Protection
- Free Domain Forwarding
- Secure and Reliable DNS
- Free Website Builder

“We’re continually investing in our domains and hosting platform to provide a one-stop shop that makes it easy for individuals and small businesses to secure all the online support services they need,” said Melea Strimple, Chief Operating Officer, Pair. “We look forward to welcoming Alice’s Registry customers to the Pair family so they can take advantage of our best-in-class domain platform and value-added features.”

The Pair Customer Service team will be creating new accounts for existing Alice’s Registry customers in the coming days and can also help customers include these additional features as part of the account set-up.

“Alice’s Registry is one of the original domain registrars - named after the famous Arlo Guthrie song, Alice’s Restaurant. I’m proud of our heritage and all that we’ve accomplished in growing the registry since 1999,” said Rick Wesson, founder of Alice’s Registry. “Our priority is the continuation of quality domain services for Alice’s Registry customers, and I have the utmost confidence that Pair will provide just that.”
